

ANUSHA AGRAWAL

PRODUCT DESIGNER

EXPERIENCE

GAMES 24X7- PRODUCT DESIGNER

January 2024 - October 2025 (Bengaluru, India)

- Designed and delivered high-impact product experiences for a 120M+ user base across RummyCircle and My11Circle, improving clarity, trust, and overall gameplay satisfaction.
- Delivered measurable impact across core journeys, including 8-9% revenue uplift, 12% higher successful deposits, 25% fewer drop-offs, 70% more profile completions, 20% fewer fraud complaints, and an additional 8% revenue boost from Turbo Rummy.
- Conducted user research, rapid prototyping, and A/B experiments across onboarding and payment flows, resulting in increase in successful deposits and **reduction in drop-offs**.
- Collaborated cross-functionally with product managers, engineers, and QA to translate requirements into scalable design solutions aligned with both user needs and business goals.

TATA CONSULTANCY SERVICES- UI UX DESIGNER

August 2022 - January 2024 (Bengaluru, India)

- Designed and delivered large-scale enterprise projects across industries, focusing on portal redesigns, design systems, and accessibility compliance.
- Worked on end-to-end UI/UX for enterprise applications, improving usability and visual consistency across platforms used by **50K+ employees**.
- Collaborated with the Accessibility CoE to ensure WCAG 2.0 standards, driving inclusive and compliant design practices across projects.
- Partnered with cross-functional teams to create scalable design systems and visual frameworks that improved development efficiency and design alignment.

INDIAN INSTITUTE OF TECHNOLOGY IIT KANPUR- DESIGNER

MAY 2019 - JULY 2019

- Designed GUI for Air Taxi infotainment system, ensuring consistency and accuracy for in-flight user experience.
- Collaborated with senior designers on translation workflow and user testing, leading to improved usability for pilots and passengers.

DELHI PRESS- FREELANCE ILLUSTRATOR

MAY 2019 - JULY 2019

- Created story illustrations for one of India's most popular children's magazine Champak focusing on themes from Indian mythology and folklore.
