

ANUSHA AGRAWAL

PRODUCT DESIGNER

EXPERIENCE

GAMES 24X7- PRODUCT DESIGNER

January 2024 - Present (Bengaluru, India)

- Designed and shipped high-impact features, impacting 120M+ users in Rummy Circle and My11 Circle and contributing to a noticeable 8-9% revenue uplift across projects.
- Worked on end-to-end player journeys across acquisition, onboarding, retention, and trust-building, with a focus on projects like Withdrawals, Payment Gateways, Deposits, and Feature
- Conducted user research, rapid prototyping, and A/B experiments across onboarding and payment flows, resulting in a 12% increase in successful deposits and 25% reduction in drop-offs.
- Collaborated cross-functionally with product managers, engineers, and QA to translate requirements into scalable design solutions aligned with both user needs and business goals.

TATA CONSULTANCY SERVICES- UI UX DESIGNER

August 2022 - January 2024 (Bengaluru, India)

- Designed and delivered large-scale enterprise projects across industries, focusing on portal redesigns, design systems, and accessibility compliance.
- Worked on end-to-end UI/UX for enterprise applications, improving usability and visual consistency across platforms used by 50K+ employees.
- Collaborated with the Accessibility CoE to ensure WCAG 2.0 standards, driving inclusive and compliant design practices across projects.
- Partnered with cross-functional teams to create scalable design systems and visual frameworks that improved development efficiency and design alignment.

INDIAN INSTITUTE OF TECHNOLOGY IIT KANPUR- DESIGNER

MAY 2019 - JULY 2019

- Designed GUI for Air Taxi infotainment system, ensuring consistency and accuracy for in-flight user experience.
- Collaborated with senior designers on translation workflow and user testing, leading to improved usability for pilots and passengers.

DELHI PRESS- FREELANCE ILLUSTRATOR

MAY 2019 - JULY 2019

- Created story illustrations for one of India's most popular children's magazine Champak focusing on themes from Indian mythology and folklore.
